"Jim, your presentation to my sales staff was extremely valuable. Goal-setting is vital to every business, especially sales, and I can't say enough about the effect you had on my staff. Your message was simple, clear, and to the point. I highly recommend your teachings and look forward to bringing you back soon for another session."

Jason Kohll, Director of Sales, Houston Rockets

"Jim, your talk on the 8 Steps to Effective Goal Planning was phenomenal. After you left, I had our entire S.W. sales team rewrite their quarterly goals using your formula. I am happy to report that it's only 2 months into the quarter and our entire team has surpassed their original goals. Thanks Jim. We look forward to hearing you again at our Regional Conference in November."

Lance Bruden, Vice President of Sales, National Oil Well

"Jim, your enthusiasm towards the group was contagious. It was a life changing experience having you come and share your wisdom and knowledge, not to mention your passion with us regarding how to achieve goals. You greatly surpassed our expectation and I can assure you that we will have you back very soon."

Linda Green, Human Resources Manager, Kroger

"Jim, your talk on how to achieve all your goals all the time, had a very positive impact on our entire organization. During the past month, I have seen my sales force not only set new goals, but recommit themselves to their families, our company and most importantly, to themselves. I strongly encourage any company looking for new perspectives on building a better leader begin using your goal achievement model. Feel free to use my name & company as a reference. I highly endorse your teachings and look forward to having you interact with my organization on a regular basis."

Don Wilczynski, Vice President of Sales, First Data Corporation

"Jim, you are such an amazing and dynamic speaker. Your ability to not only connect with our sales team, but to inspire them to take a positive action was beyond our wildest imagination. Our Sales team will never be the same. We can't wait to bring you back."

Chris Michaels, Division Manager, Nationwide

"There is no one better at goal achieving concepts than Jim Driscoll. The people in our organization were blown away at his presentation and inspired to change their lives because of what they heard. Not only is he a great motivational speaker, but his principles make sense and they really do work. We can't wait to have him back to share more of his insights into achieving goals for a successful life. And believe me, we will have him back."
